

# PK 60 D Projector Head

The compact, economical 35 mm projector head with its high-precision maltese cross drive is the perfect choice whenever high quality is demanded in a console mount projector head.

- mounts to all US standard consoles
- easy connection to any automation or ancillary equipment
- accepts all cue detectors and reel arms
- sync motor drive for interlock operation
- smooth running and excellent picture steadiness
- curved film gate for optimum focus, even with the most difficult film stock
- safe and precise film transport
- simple operation
- slideable lens turret for easy film threading
- operates on 110 - 240 V, 50/60 Hz electric power
- easy access to all components
- robust and belt-free
- easy, quick installation
- just like all Kinoton products, perfectly reliable and virtually maintenance-free

- CINEMA
- STUDIO
- LARGE FORMAT
- SPECIAL VENUE
- DIGITAL SYSTEMS
- DISPLAY SYSTEMS
